Builders of the "OTIS" Steam and "HALE" Hydraulic Passenger and Freight

ELEVATORS.

During the past twenty-five years we have constructed the greater part of the first-class Elevator work throughout the United States. Our Washington work may be seen at the U.S. Capitol, the War and Navy Building, Treasury Building, Corooran Building, Ebbitt House, Willard's Hotel, National Hotel, Evans' Building, Metropolitan Hotel, Hamilton House, Republican Building (Census Bureau), Government Printing Building.

We have erected in New York city, and elsewhere, a simple and safe PRIVATE HOUSE HYDRAULIC ELEVATOR, readily operated

We are building the Hoisting Machinery to be used in the construc-tion of the WASHINGTON MONUMENT, capable of raising a load of nine tons to the height of 500 feet. After the completion of the Monu-ment this machinery will operate a Passenger Elevator.

Our Washington Address: EBBITT HOUSE. FOR THE LADIES.
